25X1

Naval Vessels

1. [ ] two Soviet submarines [ ] arrived in Burgas. [ ] Both submarines were in the harbor [ ] Ten Bulgarian patrol craft of approximately 30 tons each were berthed at position #5 of appendix. 25X1

Port Facilities

2. The two warehouses in the D-E area of appendix are approximately 30 meters wide (length unknown) and are used for grain storage. Grain is loaded aboard vessels by a portable conveyer belt. Two pipelines with a diameter of approximately 20 centimeters extend along the breakwater from position #4 of appendix in the direction of the fishery building, position #6 of appendix. No mechanical apparatus such as pumps, etc. were observed in the vicinity of position #4.

New Construction

3. A three story brick building is being constructed near the city park situated about 3/4 of a mile northeast of the harbor.
